The first 50 physicians to register will receive a free copy of "A Primer on Stroke Prevention and Treatment: With Attention to AHA Guidelines".
(Publication Release Date: April, 2009)

Continuing Medical Education Credits

Winthrop-University Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

Winthrop-University Hospital designates this Continuing Medical Education activity for a maximum of 4.0 credit hours in Category I credit towards the AMA Physicians' Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Winthrop-University Hospital relies upon participants (Planners, Faculty, Authors) in its CME programs to provide educational information that is objective and as free of bias as possible. In this spirit, and in accordance with the guidelines of the program sponsor, participants are expected to indicate any commercial relationship that might be perceived as a real or apparent conflict of interest.

Needs Analysis:

To raise awareness and increase knowledge about neurovascular disease with specific attention to:

- 1.) Newly published stroke guidelines.
- 2.) New technology available
- 3.) Identified practice gaps.

Course objectives of the seminar, the participant should be able to:

- 1.) Name stroke entities with newly published guidelines.
- 2.) Identify candidates suitable for acute endovascular stroke intervention.
- 3.) Identify candidates for endovascular treatment of intracranial atherosclerotic disease.
- 4.) Explain what Quantification MRA/NOVA is.
- 5.) Identify patients that would benefit from QMRA/NOVA.

Target audience:

Neurosurgeons, Neurologists, Emergency Room Physicians, Primary Care ...

— Agenda —

- 7:30-8:00 am Registration/Breakfast
- 8:00-8:10 am *Welcome and Overview*
Jonathan Brisman, M.D., Endovascular Neurosurgeon, Neurological Surgery, P.C., Director Cerebrovascular and Endovascular Neurosurgery, Winthrop University Hospital
- 8:10-8:30 am *Neurocritical Care and the Neurointensivist*
Elzbieta Wirkowski, M.D., Stroke Neurologist, Director of Cerebrovascular and Co-Director Neuroscience ICU, Winthrop University Hospital
- 8:30-8:50 am *Intravenous TPA: Where Do We Stand?*
Paul Wright, M.D., Stroke Neurologist, North Shore University Hospital and Director, Stroke Center St. Francis Hospital
- 8:50-9:30 am *Interventional Management of Acute Ischemic Stroke*
John Pile-Spellman, M.D., Professor of Neurology, Radiology and Neurological Surgery, Vice Chair of Research and Director of Academic Interventional MRI and Chief of Interventional Neuroradiology, New York Presbyterian Hospital
- 9:30-9:45 am *Coffee Break*
- 9:45-10:25 am *Subarachnoid Hemorrhage*
Jonathan Brisman, M.D.
- 10:25-10:45 am *Neuropsychological Assessment and Treatment of Cerebrovascular Disease: Cognitive and Affective Sequelae of Stroke*
Max Rudansky, M.D., Stroke Neurologist, Chief Section of Neurology and Director of Stroke Unit, Huntington Hospital
- 10:45-11:00 am *Coffee Break*
- 11:00-11:45 am *The Importance of Quantification of Blood Flow*
Fady Charbel, M.D., Professor and Head, Dept. of Neurosurgery, University of Illinois at Chicago, Chief of Neurovascular Section
- 11:45-12:05 pm *Carotid Stenosis*
Jonathan Brisman, M.D.
- 12:05-12:45 pm *Intracranial Atherosclerotic Disease and Its Management*
Ketan Bulsara, M.D., Assistant Professor Neurovascular/Endovascular and Skull Base Surgery Director, Yale University Medical Center
- 12:45 pm *Lunch/Panel Discussion*
